Sl. No.	Sec. No	Page No.	Cause No.	Subject	Bidder's Query	VGL's Reply
1	Section-II	13	1.3	The bidder must have a manufactured and supply minimum of MDPE Pipe (PE 100) as per the table given below for each quoted item of the same diameter in a single order/contract (single order for respective item is only acceptable but orders of respective items can be different) in a year to an established Natural Gas Distribution Company in any of previous 7 years to be reckoned from the final bid closing date.	Please confirm whether the supply of higher diameter will be considered acceptable for meeting this requirement	No, Please Refer BEC Criteria
2	Sec- II	13	1.3	The supplied must have manufactured and supplied a Minimum of MDPE Pipes (PE 100) as per the given table in tender document.	We have valid BIS 14885 license which holds good for manufacturing of MDPE pipes in PE 100 as well as in PE 80 raw material. Also the process of manufacturing the MDPE pipes made with PE 80 material are same as compared to the MDPE pipes made of PE 100. Hence, we request to consider the prior experience in PE 80 raw material in addition to existing PE 100 raw material as eligible for evaluation purpose. Many major CGD companies float tender specifying pipes with PE 80 raw material only.	Tender Condition Prevails
3	Sec - II	13	1.3	Prior Supply experience for each supply item should of same pipe Size.	As being a standard clause in most of the MDPE pipe related tender from CGD companies we request to consider for inclusion of following clause in the Bidder Eligibility criteria for more healthy competition and better price discovery.  <b>"If a bidder is eligible for higher pipe size, he will be automatically eligible to bid for lower pipe size, subject to meeting the minimum supplied quantity criteria on Cumulative basis"</b>  This clause will allow the bidders to bid for 32mm pipe size in addition to 63mm pipe size.	Tender Condition Prevails
4	-	-	-	Award of contract	For each item size the Award of order will be split between how many suppliers	One supplier who was the L1 in the bid.
5	Sec-I	13	2.0(H)	EMD Amount	If a Bidder is eligible to bid for any single supply item what will be the EMD amount in that case.	Bidder has to pay EMD as stated in Section – I [IFB] for single or both SOR Line Items.
