1	As per the SOR of said tenders & corrigendum, it is found that deployed ERV (Mahindra Bolero/ Ecco/ Tata Ace and similar vehicles) should not be older than 03 Years from the Tender date. These clauses need to be reviewed and revised. It should be stated like " Bidder should provide NEW ERV (Mahindra Bolero/ Ecco/ Tata ACE and similar vehicles) instead of 03 Years old from the tender date. " This Change required, as without this change Tender will become bias for some existing third-party other bidders will not get any chance to provide their competitive rates, this change will also enhance the efficiency of O & M service, with new vehicles. It is beneficial for VGL also to provide emergency services in stipulated time frames.
